

Avocor R Series Hardware as a Service

Simplify your digital signage and eliminate upfront CAPEX costs with the all-in-one Avocor R Series Hardware as a Service from Rise Vision.

Leave the management and support of your digital signage hardware to us with the Avocor R Series Hardware as a Service, our subscription all-in-one display created in partnership with Avocor. No media player required.

White Glove Service

We provide support, handle software updates, and ensure an easy digital signage experience.

- ✓ **Managed by Rise Vision:** Focus on achieving your goals, and leave the hardware to us.
- ✓ **Supported by Rise Vision:** Get digital signage hardware and software support from Rise Vision.
- ✓ **Regular Upgrades:** You can refresh your Avocor R Series displays at renewal.

High Performance

The Avocor R Series takes minutes to set up, flawlessly handles demanding schedules, and is designed for digital signage.

- ✓ **Setup in Minutes:** Power on your display to start using it immediately.
- ✓ **Optimized for Rise Vision:** Run demanding schedules full of animated templates and video.
- ✓ **Single Purpose Device:** Locked down to reduce the risk of unauthorized network access.

Lower Upfront Costs

Lower upfront costs and simplify procurement by combining your Rise Vision software and hardware into subscriptions.

- ✓ **Predictable Budgets:** Know your exact hardware costs each year for more accurate budgets.
- ✓ **Simplified Procurement:** Combine your Rise Vision software and hardware in one order.
- ✓ **Scale Your Network:** Add displays and don't worry about sunk hardware costs.
