Rise Vision Offers Commercial-Grade and Affordable Avocor Displays

Rise Vision's all-in-one Avocor displays combine a media player and screen for stunning visuals and reliability.

Choose outright purchase or Hardware as a Service for seamless integration with Rise Vision's signage, screen sharing, and alerts—backed by the support and features you need.

High Performance

Avocor displays handle demanding schedules, support digital signage, screen sharing, and alerts—no media player required.

Multiple Display Sizes:
Choose from 55" to 98" displays to fit classrooms, offices, lobbies, and meeting rooms.

Optimized for Rise Vision:
No media player required—run animated templates, live data, and 4K video seamlessly.

Designed for Longevity:
Commercial-grade Avocor displays ensure extended use, minimizing downtime and maximizing performance.

Flexible Purchasing Options

Select an ownership model that fits your needs and integrates seamlessly with Rise Vision.

Hardware as a Service:
Get a subscription with white-glove service, 3 or 5 year warranty, and free shipping for replacements.

Outright Purchase:
Own your hardware with a 2 year warranty for flexibility and complete investment control.

Tailored Solutions:
Whether buying or subscribing, get displays that integrate with Rise Vision signage, screen sharing, and alerts.

Simple Setup

Deploy and manage Avocor displays easily with user-friendly software and fast customer support.

Technical Support:
Get expert help in one business hour via phone, email, or remote desktop support.

Setup in Minutes:
Power on, connect to Wi-Fi, link to Rise Vision, and manage displays instantly.

Single Purpose Device:
Locked for Rise Vision software, reducing unauthorized network access risks.

Key Features

- **55" to 98": Lightweight and easy to install**
- **Built-in Media Player: No additional hardware required**
- **Tamper Proof Design: No front buttons to prevent interference**
- **Landscape: Designed to show content in a landscape format**
- **16/7 Usage: Built for education and commercial environments**
- **4K Resolution: High resolution display for vivid visuals**

Hardware as a Service vs Outright Purchase

RISE VISION

	Hardware as a Service	Outright Purchase
