DIMENSIONS

INSTALLATION

1. Assemble the Main Bracket (in the direction shown as the following figure) to the rear of a compatible display with four M4*L10MM Screws.

2. Fix two M3*L4.5MM Step Screws on the media players as shown below.

3. Fix the Theft-proof Lock to the media player with two M3*L4MM Mechanical Screws.

4. Mount the media player.

5. Lock the media player with your own lock, if needed. The installation is completed.
